A convention prayer meeting was held yesterday afternoon and the regular session was held in the evening. The address of welcome was delivered by W. T. Heinig and the response by the Rev. THE WAYNESBURG MEETING

Charleroi was selected as the place for the holding of the 19th annual convntion of the Epworth League of the Washington district, M. E. church, at the final sessions of this year's meeting at Waynesburg yesterday. Bentleyville, Washington and Wellsburg all were asking for the convention, but Charleroi was chosen from various reasons, one being that they had been asking for it for the past seven years. The Charleroi delegates returned from Waynesburg last night, and report a rousing meeting.

The convention of the Epworth League is something worthy of note, and Charleroi is to be complimented upon securing it. Plans are already on foot to make the 1910 covnention one of the most successful ever held by this district.

Officers were elected yesterday as follows: President, E. W. Jones, Bridgeville; first vice-president, J. C. Mace, Wellsburg, W. Va.; second vice president, W. Claude E. Towner, Monongahela; third vice president, Miss Edith Hazlett, Charleroi; fourth vice president, Miss Gertrude L. Fowles, Canonsburg; secretary, Claude E. Reynolds, Washington; treasurer, Harry I. Headley, Waynesburg. Junior league superintendent, Mrs. Emma L. Cox, Homestead. The executive committee is composed of Rev. J. S. Allison of Bentleyville; Rev. R. L. Archer, West Homestead, and T. H. Shanlon of Waynesburg. [illegible]

VALUABLE DOG IS RECOVERED

Local Man Goes to Pittsburg to Get Canine that Had Been Stolen.

C. C. Holyfield, the superintendent of the local Singer Sewing Machine office, yesterday recovered his valuable Boston bull dog in Pittsburg, where it had been sold by a man who is said to have stolen it. The animal was valued at $50 and was stolen several days ago.

Mr. Holyfield heard that the dog was in Pittsburg and yesterday with Policeman Higgins went to the city and located the canine at the Riverside stables, where one of the employes, who had purchased it for $4.00, had taken it. They secured the animal and went after the man, who it was alleged, had stolen it. They found him, and he settled the case by paying all the expenses which had accrued from the animal's recovery, including the $4.00 paid by the stable man. The man gave his name as Mike Michissor.

Zipay.

Mrs. John Zipay of 1217 McKean avenue, died suddenly at her home this morning. She arose at 5 and went to the summer kitchen to prepare breakfast, and was found shortly afterward by her sister lying on the floor unconscious. Dr. Edwin McKay was called, but found the woman dead when he arrived. The funeral will be held Sunday from the Greek Catholic church, with interment in Calvary cemetery. Mrs. Zipay belonged to several Slavish women's orders and was well known in Charleroi. She is survived by a husband and seven children. Deputy Coroner Crowley is investigating the case.

Won't Tell Who Shot Him.

Marshal Ferree, the young man who was taken to the Memorial hospital several weeks ago, suffering from a bullet wound at first said to be self inflicted and later thought to be the result of a murderous attack upon him was released from the hospital last evening fully recovered. Ferree will make no statement as to the cause of his injury.

H. H. Dawson was taken to a Pittsburg Hospital yesterday to undergo [illegible] for eye trouble and [illegible]

MANY CASES OF MEASLES BRINGS NEEDED WARNING

Picture Show Of Death Valley

Free Attraction at Coyle Theatre Last Evening—Many Attend.

An interesting and instructive free entertainment entitled "A Trip to Death Valley" was given at the Coyle Theatre last night by the Pacific Coast Borax company. A large and appreciative audience attest to the fact that the show has taken the popular fancy.

The program consisted of several fine motion pictures from films 3,000 feet long and a great number of interesting colored slides, accompanied by an explanatory lecture. The pictures are the first secured of Death Valley and were taken expressly for the company.

The first motion pictures takes you from Ludlow, Cal., over the Tonopah and Tidewater Railroad to the Lila C. Mine, said to be one of the largest borate mines. This picture gives you an accurate idea of the world famous Death Valley.

Another interesting feature is a picture of the famous 20 Mule Team in motion as it appeared at the World's Fair in St. Louis. The feat of driving this mammoth team with a single jerk line evidently requires a driver of extraordinary ability.

After a series of interesting colored slides depicting views of Death Valley and the surrounding country, the performance concluded with an amusing comedy entitled "The Servant Question Solved," which was a fitting climax to a thoroughly enjoyable [illegible]

Starting yesterday three shows are given daily, one at 4 in the afternoon and two in the evening, at 7:30 and 8:30. All are free.

The presence of an epidemic of measels in Charleroi has caused the health officials to issue a warning to the residents concrning the congregating in pulic places, where they needlessly expose themselves. If the warning is passed by unheeded, from present indications the epidemic will assume very serious proportions within the next few days. Almost daily new cases are being reported. The board of health is doing all in its power to prevent a spred of the disease, and are endeavoring to enforce a strict quarantine.

Up to the time of the last report there were 54 known cases of measles in the town. All of the homes where it is known the disease exists have been quarantined, and the children kept from the streets. It is in this way that it is hoped to keep the disease within proper bounds.

Not only measles is prevalent, but an epidemic of chicken-pox is threatened. There are at the present time several under quarantine, as having this disease. Between the measles and chicken-pox patients, Charleroi physicians are kept busy nowadays.

A Neglected Opportunity.

With the craze for automobiles and scant facilities in the way of good thoroughfares except a short time in the summer season, aquatics for sport and pleasure have been neglected. With ample facilities for motor boats, rowing and canoeing, comparatively little is done in this community. There are a few who are enthusiastic over the motor boat, but the other pleasures of aquatics incident to the opportunity are comparatively unknown.

Located on the fourth pool of the Monongahela river, Charleroi has all the advantages of an inland lake, with the additional advantage of extended communications up and down the river. The fourth pool is twelve miles long, nearly as long as Lake Chautauqua, and while not so wide is still of sufficient width to give volume enough to answer all the advantages of a lake. By passing through the locks a succession of small lakes are reached. Up and down the river, from Pittsbug to Fairmont, is an interesting and picturesque waterway of one hundred miles or more, navigable by motor boats. These do not cost so much as autos, can be operated more cheaply, and the thoroughfare is infinitely more extensive and every bit as safe.

With these facilities at hand an opportunity for much inexpensive pleasure is neglected. Charleroi could be made as much of a lake resort as many of those which are noted for summer outings. The motor boat is as capable of as much pleasure as an auto, and is not nearly so expensive.

Why RALSTON SHOES are non-wrinkling

As you have probably noticed, most shoes have a tendency to wrinkle and "bunch up" across the toes after the shoes have been worn a few times. This is the fault of the lasting (the process of pulling and stretching the leather over the wooden last).

The RALSTON method has remedied this fault. Ralston vamps are first crimped (see illustration), then lasted. There are no bunches, no wrinkles, because every part of the vamp fits the last perfectly without straining the leather at all. This adds to the wear of the shoe. It also explains the reason why Ralstons retain their smart appearance until worn out.

There are other unusual features of RALSTON SHOE construction which would appeal to you. Come in and look over our new styles.

While Pittsburg draws some enormous crowds at the National League games there are times when the attendance is not anywhere so good proportionately as the average Charleroi attendance. The other day at a Pittsburg game with Boston the attendance was only a trifle ov r 1,000. Calling the population of the home territory—Pittsburg and Allegheny—500,000, the attendance was only a trifle over one-tenth of one per cent of the drawing territory. Calling Charleroi's population from North Charleroi to Speers inclusive, 10,000, and applying the same per centage, the crowd would only be 10. As a matter of fact Charleroi's average attendance, not counting holiday crowds, is about 300, or three per cent of its drawing territory. This is more proportionately than the average attendance of the Pittsburg games, where three per cent of its drawing territory would bring an average crowd of 15,000 people, which is much below this figure.

"Did you ever notice," remarked an old-time fan at one of the games recently "that the batter who straddles out at the plate is the one who hits harder and oftener?" Look a Hans Wagner, the greatest of all batters. When he takes his position to bat he straddles out as far as his legs can reach and the only movement he makes is with his body and arms. He's the surest batter that ever played ball, because he doesn't make ar false motions to detract from his se of location of the ball when it co within reach. Most batters with their feet together, and they swing take a step f That step forward destroyes t of location, and the batter as otherwise doesn't hit pops up a fly or taps dow The reason Hans makes is because he meets t nose and it goes wher and he gets those sq ing in his tracks his sense of locat Of course there ters who step swing, but no as the one remains in

OFFICIALS AND FIREMEN IN SQUABBLE OVER CARNIVAL

Petition Circulated For Signatures Among Business Men.

NOW SIGNERS ARE SORRY

Says Since That While the Has Pow er There Will Be No Shc w of This Kind.

There threatens to be a feud between the firemen and some of the borough officials and citizens of Monessen over the desire of the former to hold a carnival. Burgess Reamer states that as long as he is in power he will not permit the holding of a carnival, and the firemen are likewise obstinate in their demands, it is stated, and will hold the carnival there or cause trouble. Now the Recently a petition was circulated among the business men and citizens generally to get the carnival in and sufficient signed it to announcing the fact that the be brought to town. tion has been circulated, of the most prominent considered their action, to the Burgess and what he could to keep away.

Citizens generally have also the matter and will try to carnival out of Monessen. Result matters are in a much condition and the results are anxiously awaited. It has mentioned that the firemen will hold the carnival in Charleroi if men will not allow it there, but such a proposition will meet with anything but favor here.

Charleroi has had enough of these organizations, and if possible will keep all such aggregations out in the future.

INTERESTING CONVENTION

Christian Endeavors Meet In Washington—Many Delegates Present.

Much interest is being taken in the annual convention of the Washington County Christian Endeavor society, which began its sessions in the Third Presbyterian church yesterday at Washington. About 80 delegates from various churches of the county were present and as many more are expected in today.

A convention prayer meeting was held yesterday afternoon and the regular session was held in the evening. The address of welcome was delivered by W. T. Heinig and the response by the Rev. Frank Fish, D. D., of Claysville. The chief address of the evening was given by Dr. J. Calvin Mead of the Waynesburg Presbyterian church. His excellent talk on "Balances and Plumblines" was full of interest and good advice and was well received by the convention.

Several Christian Endeavor workers were present from Greene county and participated in the exercises.

Four sessions will be held today, the beginning being the sunrise prayer meeting at 6:30 this morning. Other sessions were held at 9 a. m., 1:30 p. m. The closing session will be at 7:30 this evening.

CHARLEROI GETS 1910 CONVENTION

Epworth League Will Meet Here Next Year—Delegates Return.

THE WAYNESBURG MEETING

Charleroi was selected as the place for the holding of the 19th annual convention of the Epworth League of the Washington district, M. E. church, at the final sessions of this year's meeting at Waynesburg yesterday. Bentleyville, Washington and Wellsburg all were asking for the convention, but Charleroi was chosen from various reasons, one being that they had been asking for it for the past seven years. The Charleroi delegates returned from Waynesburg last night, and report a rousing meeting.

The convention of the Epworth League is something worthy of note, and Charleroi is to be complimented upon securing it. Plans are already on foot to make the 1910 convention one of the most successful ever held by this district.

Officers were elected yesterday as follows: President, E. W. Jones, Bridgeville; first vice-president, J. C. Mace, Wellsburg, W. Va.; second vice president, W. Claude E. Towner, Monongahela; third vice president, Miss Edith Hazlett, Charleroi; fourth vice president, Miss Gertrude L. Fowles, Canonsburg; secretary, Claude E. Reynolds, Washington; treasurer, Harry I. Headley, Waynesburg. Junior league superintendent, Mrs. Emma L. Cox, Homestead. The executive committee is composed of Rev. J. S. Allison of Bentleyville; Rev. R. L. Archer, West Homestead, and T. H. Shannon of Waynesburg. The former president was George Bayha of Monongahela.

VALUABLE DOG IS RECOVERED

Local Man Goes to Pittsburg to Get Canine that Had Been Stolen.

C. C. Holyfield, the superintendent of the local Singer Sewing Machine office, yesterday recovered his valuable Boston bull dog in Pittsburg, where it had been sold by a man who is said to have stolen it. The animal was valued at $50 and was stolen several days ago.

Mr. Holyfield heard that the dog was in Pittsburg and yesterday with Policeman Higgins went to the city and located the canine at the Riverside stables, where one of the employes, who had purchased it for $4.00, had taken it. They secured the animal and went after the man, who it was alleged, had stolen it. They found him, and he settled the case by paying all the expenses which had accrued from the animal's recovery, including the $4.00 paid by the stable man. The man gave his name as Mike Michissor.

Zipay.

Mrs. John Zipay of 1217 McKean avenue, died suddenly at her home this morning. She arose at 5 and went to the summer kitchen to prepare breakfast, and was found shortly afterward by her sister lying on the floor unconscious. Dr. Edwin McKay was called, but found the woman dead when he arrived. The funeral will be held Sunday from the Greek Catholic church, with interment in Calvary cemetery. Mrs. Zipay belonged to several Slavish women's orders and was well known in Charleroi. She is survived by a husband and seven children. Deputy Coroner Crowley is investigating the case.

Won't Tell Who Shot Him.

Marshal Ferree, the young man who was taken to the Memorial hospital several weeks ago, suffering from a bullet wound at first said to be self inflicted and later thought to be the result of a murderous attack upon him was released from the hospital last evening fully recovered. Ferree will make no statement as to the cause of his injury.

H. H. Dewees was taken to a Pittsburg Hospital yesterday to undergo treatment for eye trouble and several operations.

NALLY SOLD TO THE TOLEDO TEAM

Local Club Parts With Services of Brilliant Young Outfielder.

HARRELL IS SUSPENDED

Nally, the brilliant right fielder of the Charleroi team, has been sold to the Toledo team of the American Association, and left yesterday for that city. The sum of $500 was paid for him. President Armour of the club was here to make the purchase.

This morning C. J. Eckert, a pitcher, arrived to join the team and is pitching the first game today. Eckert was recently with Bill Phillips' Wheeling team, and it is stated was tried out by the Boston Nationals.

Harrell, for sometime captain of the locals, has left the team, and it is stated has been, according to Manager Machale, suspended for life. It is likely that two games will be played tomorrow.

The boy getting his shoes on first will get a suitable prize.

This promises to be the greatest day that Vesta ever had. All would like to see all their Charleroi friends as well as all other friends present. The committe of the K. G. E. MANY CASES OF MEASLES BRINGS NEEDED WARNING

Picture Show Of Death Valley

Free Attraction at Coyle Theatre Last Evening—Many Attend.

An interesting and instructive free entertainment entitled "A Trip to Death Valley" was given at the Coyle Theatre last night by the Pacific Coast Borax company. A large and appreciative audience attest to the fact that the show has taken the popular fancy.

The program consisted of several fine motion pictures from films 3,000 feet long and a great number of interesting colored slides, accompanied by an explanatory lecture. The pictures are the first secured of Death Valley and were taken expressly for the company.

The first motion pictures takes you from Ludlow, Cal., over the Tonopah and Tidewater Railroad to the Lila C. Mine, said to be one of the largest borate mines. This picture gives you an accurate idea of the world famous Death Valley.

Another interesting feature is a picture of the famous 20 Mule Team in motion as it appeared at the World's Fair in St. Louis. The feat of driving this mammoth team with a single jerk line evidently requires a driver of extraordinary ability.

After a series of interesting colored slides depicting views of Death Valley and the surrounding country, the performance concluded with an amusing comedy entitled "The Servant Question Solved," which was a fitting climax to a thoroughly enjoyable evening.

Starting yesterday three shows are given daily, one at 4 in the afternoon and two in the evening, at 7:30 and 8:20. All are free.

This evening the commmitte of the Merchants Association and the one from the School Board will meet and take up briefly what can be done. It is hoped to have matters shaped up so that the playgrounds can be secured within a short time.

The ladies of the M. E. church will hold a festival Saturday afternoon and evening, June 19 corner of McKean avenue and Fourth street.

Epidemic of Disease Now Prevalent In Charleroi—54 Cases In All.

STRICT QUARANTINE KEPT

Health Officer Suggests That People Keep Away From Public Places.

The presence of an epidemic of measels in Charleroi has caused the health officials to issue a warning to the residents concerning the congregating in pulic places, where they needlessly expose themselves. If the warning is passed by unheeded, from present indications the epidemic will assume very serious proportions within the next few days. Almost daily new cases are being reported. The board of health is doing all in its power to prevent a spred of the disease, and are endeavoring to enforce a strict quarantine.

Up to the time of the last report there were 54 known cases of measles in the town. All of the homes where it is known the disease exists have been quarantined, and the children kept from the streets. It is in this way that it is hoped to keep the disease within proper bounds.

Not only measles is prevalent, but an epidemic of chicken-pox is threatened. There are at the present time several under quarantine, as having this disease. Between the measles and chicken-pox patients, Charleroi physicians are kept busy nowadays.

A Neglected Opportunity.

With the craze for automobiles and scant facilities in the way of good thoroughfares except a short time in the summer season, aquatics for sport and pleasure have been neglected. With ample facilities for motor boats, rowing and canoeing, comparatively little is done in this community. There are a few who are enthusiastic over the motor boat, but the other pleasures of aquatics incident to the opportunity are comparatively unknown.

Located on the fourth pool of the Monongahela river, Charleroi has all the advantages of an inland lake, with the additional advantage of extended communications up and down the river. The fourth pool is twelve miles long, nearly as long as Lake Chautauqua, and while not so wide is still of sufficient width to give volume enough to answer all the advantages of a lake. By passing through the locks a succession of small lakes are reached. Up and down the river, from Pittsbug to Fairmont, is an interesting and picturesque waterway of one hundred miles or more, navigable by motor boats. These do not cost so much as autos, can be operated more cheaply, and the thoroughfare is infinitely more extensive and every bit as safe.

With these facilities at hand an opportunity for much inexpensive pleasure is neglected. Charleroi could be made as much of a lake resort as many of those which are noted for summer outings. The motor boat is as capable of as much pleasure as an auto, and is not nearly so expensive.

Why RALSTON SHOES are non-wrinkling

As you have probably noticed, most shoes have a tendency to wrinkle and "bunch up" across the toes after the shoes have been worn a few times. This is the fault of the lasting (the process of pulling and stretching the leather over the wooden last).

The RALSTON method has remedied this fault. Ralston vamps are first crimped (see illustration), then lasted. There are no bunches, no wrinkles, because every part of the vamp fits the last perfectly without straining the leather at any point. This adds to the wear of the shoe. It also explains the reason why Ralstons retain their smart appearance until worn out.

There are other unusual features of RALSTON SHOE construction which would appeal to you. Come in and look over our new styles.

While Pittsburg draws some enormous crowds at the National League games there are times when the attendance is not anywhere so good proportionately as the average Charleroi attendance. The other day at a Pittsburg game with Boston the attendance was only a trifle over 1,000. Calling the population of the home territory—Pittsburg and Allegheny—500,000, the attendance was only a trifle over one-tenth of one per cent of the drawing territory. Calling Charleroi's population from North Charleroi to Speers inclusive, 10,000, and applying the same per centage, the crowd would only be 10. As a matter of fact Charleroi's average attendance, not counting holiday crowds, is about 300, or three per cent of its drawing territory. This is more proportionately than the average attendance of the Pittsburg games, where three per cent of its drawing territory would bring an average crowd of 15,000 people, which is much below this figure.

"Did you ever notice," remarked an old-time fan at one of the games recently "that the batter who straddles out at the plate is the one who hits harder and oftener?" Look a Hans Wagner, the greatest of all batters. When he takes his position to bat he straddles out as far as his legs can reach and the only movement he makes is with his body and arms. He's the surest batter that ever played ball, because he doesn't make ar false motions to detract from his se of location of the ball when it co ...y within reach.
